UK Fleet Newsletter

February 2017

drivetech.co.uk

2017 is now upon us and with it comes the promise of great growth and change. As part of our own expansion and growth, we're excited to launch our improved quarterly UK Fleet Newsletter, which is specifically designed to keep you informed of DriveTech news and industry changes.

We've got something really big coming soon, something that will change how every DriveTech client interacts with us forever...

We'll share more details with you in our next email but for now let us tell you about what's happening right now.

DriveTech UK Ltd

DriverConsent

DRIVERCONSENT

Our new online system, **DriverConsent** has removed the need to rely on paper-based licence checks. DriverConsent is designed to allow drivers to agree to their licence being checked, via an online process, with the DVLA.

PERMIT TO DRIVE

Permit to Drive (P2D) is a multi-module product that can be tailored to meet your business requirements, allowing your staff to drive for work. It consists of various modules including Driving for Work policy acceptance, licence validation via DriverConsent, risk, eLearning and on-road training.

HOW CHANGES TO THE LAW AFFECT YOU

New sentencing guidelines for health and safety offences came into force. They direct the courts to consider the sentencing of offending organisations by way of a step-by-step approach, primarily examining culpability, the seriousness of harm risked and the likelihood of harm.

Highly Commended

DriveTech won 'Highly Commended' in the Risk Management category at the **What Van?** Awards yesterday in London, coming runner up to FORS.

Well done to the team at DriveTech - well deserved!
